ABOUT McLAUGHLIN COLLEGE

Founded in 1968, McLaughlin College was named in honour of the late Colonel R.S. McLaughlin, business pioneer. The College is dedicated to fostering knowledge and critical analysis of public policy. Special attention is given toward improvement of society, the local community, the province, Canada, and international relations. McLaughlin’s founding Master, George Tatham, insisted that the college emphasize the whole person. Therefore, the arts, music, poetry, and athletics all have a prominent place in life at McLaughlin College.

McLaughlin College serves both non-residential and residential students. McLaughlin College’s Tatham Hall offers both single and double room accommodation on 12 floors separated into 6 different houses. There are 9 coed floors, 2 all-female floors, and 1 all male floor, all of which are in a non-smoking atmosphere. Each house has a Common Room and kitchenette. The Residence Life Coordinator and Dons work closely with house executives in an active Residence Council.
McLaughlin College Council maintains a high profile in College activities. Our Sport and Recreation Program encourages active participation in all levels of intramural sports activity on the York Campus. Social activities include talent nights, multicultural conventions, winter and year-end formal dinner dances, overnight trips, and many more special events. McLaughlin's ever popular Kid’s Day, where children from local elementary schools come to York University and participate in a variety of activities, is a very rewarding, community-minded tradition.

In the York community of more than 60,000 students, faculty, and staff, McLaughlin College can help you to find your niche and provide a focus for your academic career. There is always an opportunity to get involved and make a difference. Drop by your Student Council Office (room 143 McLaughlin) and let us hear your concerns, suggestions, and yes, even criticisms. Remember, this is your college. Let us know what kind of programming YOU would like to see from your elected Student Government at McLaughlin College. There is so much we can accomplish - but we need your help!

If you would like to become more involved, perhaps running for a position on McLaughlin College Council is an appropriate outlet for your energy. Nominations for Director Positions and two first year positions on McLaughlin College Council will be announced in late September. There are also many other McLaughlin affiliated clubs and organizations that are looking for helpful spirited members. All information on contacting student run organizations is listed in this handbook. Please feel free to email, drop by, or call any of the groups to find out more information.
Message from THE MASTER

A university education is much more than the courses you take to complete your degree requirements.

It includes all the learning experiences outside the classroom with fellow students and faculty. You should graduate from York not only with a degree, but with an education.

Your time in university will be among the best years of your life. You will learn the knowledge and skills that will prepare you for your career, and for future changes in that career. You will be exposed to the fascinating world of ideas, and be invited to discover and pursue your passion. You will make friendships that will last your lifetime. You will change and mature – physically, emotionally and intellectually – in the transition from member of your family to autonomous adult. And above all you will have the opportunity to be an active member of a learning community - a social, recreational and intellectual community of students, faculty and staff who interact, work, play, think, question, study and learn together. McLaughlin is that kind of learning community.

McLaughlin is YOUR College. Like all good things in life, the more you put into it the more you will get out. Take part in the social, recreational, cultural and athletic activities. Join the clubs. Participate in the College Council. Attend the lectures and panels. Perform in one of our coffee houses, or just come to be part of the audience. Take advantage of the study groups, and advising and skills development opportunities. Get to know the fellows as people, and not just as distant and impersonal instructors. Tell us what you are interested in, and help to make it available to others who share your interests.

I am a professor of Political Science, specializing in international relations and especially Canada-US relations. I have been Dean of the Faculty of Graduate Studies, and for eight years was the Executive Director of the Ontario Council on Graduate Studies where I was responsible for overseeing the quality appraisal of every master’s and doctoral program in the province, and the audit of the review of the quality of undergraduate programs at every university in Ontario. That work on academic quality has convinced me of the importance of learning community. I am committed to making McLaughlin the best and most fulfilling learning community it can be for its students and fellows. Let me know how we are doing, and what more we could do.

Please join me in building your community.

David Leyton-Brown
Master, McLaughlin College
Office: 220 McLaughlin College
E-mail: dbrown@yorku.ca
Message from
PROFESSOR BRUCE SMARDON
College Academic Student Success Leader

Welcome to all incoming York students and to all existing students in the departments and programs that are affiliated to McLaughlin College.

This is a new position that has been created to help improve the academic experience for York University students, particularly first year students.

I am here to help students find a better sense of community at York.

One way that will be done is through the peer mentoring network that will be set up through the College. A group of upper year students will be selected to assist first year students with their academic life at York. This will help with feelings of isolation and provide a contact point for information about various aspects of the York experience.

I will also be active, along with the Master of the College who is Professor David Leyton-Brown, in coordinating and helping with various dimensions of College activities.

Since becoming College Academic Life Coordinator, I have been impressed by the spirit of community life at McLaughlin College, and hope that more students can become involved and experience it for themselves.

I look forward to meeting with all of you at the College orientation in the second week of September.

Bruce Smardon,
College Academic Student Success Leader, McLaughlin College
Office: 228 McLaughlin College
Telephone: (416) 736-2100 x30080
E-mail: bsmardon@yorku.ca
My name is James Guthrie and I am the Residence Life Coordinator (RLC) for Tatham Hall Residence. I first want to welcome you to the vibrant community here at Tatham. I hope that while you are here you will grow to call Tatham your second home. Residence is where you are encouraged to be yourself and grow as a person.

As the RLC I oversee the residence community and assist you through your development at York. To help me with this are seven amazing student leaders called Dons. The Dons are here to help you transition into university life and become a strong and independent person, ready for the challenges that university can hold. Together we will work to ensure that Tatham is a safe and inclusive space.

As the year moves along there will be many opportunities to become involved in the residence and I highly encourage you to make the most of your time with us. I recommend that you look over the Residence Handbook and the Student Code of Rights and Responsibilities as they are key tools in ensuring that your transition into living in residence is a smooth one.

Finally, I hope that you find your time here in Tatham to be a rewarding and eye opening experience that helps you discover your true potential.

Regards,
James
Residence Life Coordinator
Tatham Hall
Phone: (416) 736-2100 x77091
Office: 106 Tatham Hall
Email: tatham.rlc@yorku.ca
PEER MENTOR/M.A.L.L

McLaughlin College has an active peer mentoring network which connects first year students with mentors who have the same program majors. In the coming year, there will be social events and social media connections through twitter and Facebook to create communities of students helping one another. We also have the MALL (McLaughlin Academic Life Line) office, which is located on the first floor of the College close to the entrance doors. Mentors will be in the office from 9:00 am to 4:00 pm every day from Monday to Friday.

Mentor groups will be created at the September orientation. First year students will meet their mentors at the beginning of the orientation day and their mentors will help them move around the campus to various events. By the end of the day, we hope that new relationships will be formed that will help students throughout the coming year.

I am excited about the potential for creating new connections between McLaughlin College and students from its affiliated programs, and look forward to meeting with many of you in the coming year.

Professor Bruce Smardon
College Academic Student Success Leader
ABOUT TATHAM HALL RESIDENCE

The residence is named Tatham Hall in honour of the founding Master, Professor George Tatham, who lived in the residence from 1968 until retirement in 1978. He remained a Fellow of the college until he died at the age of 80 in 1987.

Tatham Hall, McLaughlin College’s affiliated residence, is home to 268 students in each academic year. A 13-storey high-rise, the building is divided into six ‘houses’ of roughly 45 students each, sharing kitchen and common room facilities. Accommodations are a mix of single and double rooms; about two thirds of residents are in single rooms. Coed and single-gender housing is available, and offered as an option in the residence application process.

While we are affiliated with York’s public policy college, residents at Tatham Hall are drawn from a range of faculties and disciplines. House and Residence Councils organize frequent programs, from movie nights to campus exploration to trips around the city. The legendary spirit of Tatham students is the envy of York’s other colleges.

The building is staffed by the Residence Life Coordinator (RLC) who is a full time, live-in professional, as well as six student Dons, designated to each house within the building, who all ensure that Tatham residents experience the best possible living and learning community. There are also other student leadership positions, such as the Coordinator of Residence Activities and the Residence Council Chair and Reps, who all help in making the living/learning community at Tatham Hall a success. Residence Life is a program of the department of Student Community and Leadership Development. Residence staff support the academic mandate of the University and McLaughlin College, and they also act as a resource and positive role models for the residents. Like all of York’s residences, Tatham Hall’s entrance is monitored by 24/7 CCTV, and is monitored at night by student Porters as well as a Residence Watch Officer.
ABOUT MCC AND ITS MANDATE

The primary aim of the McLaughlin College Council is to promote the welfare and interests of the students affiliated with McLaughlin College, and to provide services, activities, publications and facilities which serve to enrich the lives and educational experience of the students. McLaughlin College Council’s constitution is regularly updated and is available for viewing online. The Council is made up of 6 executives, 3 directors, 2 first year representatives, a residence liaison, a non-voting YFS representative and 7 associates.

All members of Council are required to hold Office Hours in order to keep the office open during the day and a schedule is posted outside the office each year. The voting members of Council are elected in either the spring annual election in which the executive positions are contested, or the fall by election in which the director positions and first year representative positions are contested.

The President is responsible for overseeing all operations of Council. As well, the President is a member and represents the college in many organizations. The VP of Operations maintains a network of communication between the College Council and the various organizations and facilities within the College, as well as replaces the President in the absence thereof. The VP of Financial Affairs manages and oversees the budgets and accounts of Council. The VP of Academic Affairs is responsible for matters of academic importance pertaining to the students of the college, including student club relations. The VP of Communications coordinates advertising for all Council operations and events. The VP of Commuter Relations represents the best interests of students who do not live on campus. The VP of Events and Programming is responsible for planning and executing social and cultural events. The directors work with their respective Vice-Presidents (VP), and provide assistance with their duties. The two first year representatives promote the involvement of all first year students and represent their best interests to Council. The YFS McLaughlin Representative is contested in the YFS elections, and is a YFS Council member representing McLaughlin College. Associates are comprised of the Speaker, the Chief Returning Officer (C.R.O.,) the Secretary, Kids Day/Outreach Chair(s) the Orientation Chair(s), and the McLaughlin Sports and Recreation Vice President of Athletics.

The Council meets once a week during the Fall/Winter session, and the meetings are open to anyone who would like to attend. The meeting dates and times are set in September, and will be posted well in advance on our website at www.yorku.ca/mcc. Everyone is encouraged to come out and participate at any and all levels of College life. Feel free to walk into Room 143 whenever the door is open! The Council welcomes all new and old faces, and always promotes student involvement.
To the incoming and returning McLaughlin students,

I am delighted to be able to serve the McLaughlin community as your McLaughlin College Council President for the 2017-2018 year. This year is particularly special because it is also our 50th anniversary! On behalf of council, I would like for you to join us and make this year one to remember. Alongside our council, I have some ambitious goals that I would like to see achieved this year. One is to continue heartfelt traditions as well as establish new, innovative ones. Our college would like to continue to establish the notion of providing the best-rounded experience to all of our students. We have our athletic outlet with our elaborate intramural sports program, our creative outlet through our very own magazine publication (MacMedia), and our various student-run organizations that range from academic help to social justice causes. We want to reiterate that the York community is beyond the typical “go to class, go straight home” type of school.

Here at York, we truly have an all-inclusive type of experience that you can only benefit from depending on how much you put yourself out there to gain such opportunities. Although the nerves of getting involved can be overwhelming, there are many like-minded students and staff that will be happy to help you find ways to enrich your university experience here. You can start off by coming by our council office, room 143 in McLaughlin College to speak to one of us about various initiatives around McLaughlin and York. We can help you get connected to various aspects like our sports program, our publications, and other events we hold like our annual Montreal trip, Kid’s day, and Formal night. We also have the Peer Mentorship program which is available to all incoming first year students to help with the transition into post-secondary academia. We also have our very own weight room called Dynamacs, to allow our community member to partake in a healthy lifestyle during their stay at York University. If you want a quiet place to study, we have the Oscar’s Room (rm 051) and for those who want to meet other McLaughlin and York students, we have the Mac Lounge (rm 016) for people to come in de-stress.

If you would like to get more involved with McLaughlin College Council, I would highly recommend those interested in running for council during our fall and winter term elections. You will be able to contribute to the programming and initiatives implemented by our council. Furthermore, you will be able to expand and develop your social network, better preparing you for your future. York’s career centre is also housed in McLaughlin on the second floor, which makes it very convenient for us to partake in the various workshops and career panels that will be useful to us. Just remember that the next couple of years will be one of the most influential times of our lives, so I challenge everyone to make the most out of it!

With that being said, welcome to McLaughlin College!

Warmest regards,

Sajeth Paskaran

THE SPORT & RECREATION
VICE-PRESIDENT OF ATHLETICS
and DIRECTOR OF ATHLETICS

Hello McLaughlin Students,

Our names are Austin Khan and Alec Pichelli and we are proud to say that we will be your VP & Director of Athletics for the 2017-2018 academic year. We aim to make this year the best one yet. We want to help the students of McLaughlin College have a safe and fun way to de-stress from their daily lives through the Intramural program offered here at York and also with our own gym, Dynamacs, run by Dynamacs Manager Matthieu Thomson. Our goal, other than winning the Torch, is try and get the maximum amount of Mac students out playing sports and to build a strong foundation for years to come. We also hope to promote a healthy sports environment for all McLaughlin students. Our college has always had lots of hidden potential athletic-wise, and we really want to get everyone out to try all kinds of fun sports and activities!

We intend on putting all our effort into this job because we believe Intramural sports at York is a great way to connect and meet other amazing people but as well is probably the best way to relax yourself from a stressful day at school. Intramural’s is great for everyone as it caters to all athletes regardless of your skill set. They offer all kinds of sports ranging from soccer and basketball to the more obscure like broomball and inner-tube water polo so finding your sport will not be hard. Whether you’re looking for that one sport to dominate or just looking to have fun, McLaughlin Sports & Recreation Council is here to make sure you are able to do so to your fullest, and to make tons of friends while you’re at it! This year being Mac’s 50th anniversary we intend on making it the best one yet so come out and help us make McLaughlin College’s 50th year the best one!

If you need any help regarding intramural’s at York feel free to email us at mccvpathletics@gmail.com or mccdirectorathletics@gmail.com or come to room 143 in McLaughlin College. Don’t forget to like us on Facebook and follow us on Instagram for more athletics updates!

Your VP and Director of Athletics,

Austin Khan and Alec Pichelli

MACMEDIA’S EDITOR IN CHIEF

MacMedia magazine is proud to represent McLaughlin College for 50 years while also featuring quizzes, poetry, advice, and editorials from talented writers. I am excited to be involved in pushing MacMedia forward as we continue the original wit and humour. Every month, we will be covering all things McLaughlin as well as a variety of perspectives within an exciting theme. MacMedia is continuously evolving, so we are always welcoming your ideas and suggestions. Don’t hesitate to message me.

MacMedia is hiring, so if you are creative, passionate, enthusiastic, or even have a mild interest in writing, now is the time to join our team. If you want to become a writer or an editor, message me at macmedia.eic@gmail.com. This is a great opportunity to get creative while meeting fun new people. With this year “rise of the wolfpack”, there won’t be a dull moment at MacMedia!

Vanessa Butera
Editor in Chief
McLAUGHLIN COLLEGE STUDENT/ FACULTY LUNCH TALKS

The Student/Faculty Lunch Talks gather students, faculty, staff and informed outsiders together to discuss a variety of subjects of interest. Symposia, panel discussions, special guest lectures and seminars are held each term in both the Junior and Senior Common Rooms. You will find that these offerings often complement your credit courses. Your suggestions are invited. Topics often covered include:

- Commentary on federal, provincial, municipal and international elections.
- Canadian public policy (e.g. health, social welfare, education, aboriginal government)
- International political questions (e.g. globalization, Middle East, Europe, development issues)
- Public administration (e.g. innovation, streamlining, effectiveness vs. efficiency)
- Political economy (e.g. inequality in wealth, business-government relations)
- Justice (e.g. Charter of Rights and Freedoms cases, judicial appointments)

To create these talks, the college cooperates with a variety of University student clubs and faculty associations active in the field of public policy. Such groups include the Centre for Refugee Studies and programs in Sociology, Political Science, Public Policy and Administration, Interdisciplinary Social Science, Law and Society, Criminology, Work & Labor Studies and Global Political Studies. These student clubs and faculty organizations provide special expertise to students and others. Further information about our Student/Faculty Lunch Talks may be obtained by contacting the Master or the college’s Administrative Coordinator.

Students who attend at least 6 lunch talks will receive a certificate of participation.

Those who attend more than 10 talks, will receive a certificate of honour.
McLAUGHLIN COLLEGE STUDENT/FACULTY SPACE

McLAUGHLIN JUNIOR COMMON ROOM (JCR) (RM. 014)
The JCR is a great quiet place to meet friends, study or relax. The JCR is the centre for public policy events as well as many of McLaughlin’s social and cultural activities.

McLAUGHLIN SENIOR COMMON ROOM (SCR) (RM. 140)
An intimate and well-designed meeting room for lunch talks and other events.

MULTI-PURPOSE ROOM (RM. 049)
This room is available through the Masters Office by contacting Lilian @ 77082.

COLLEGE GROUNDS

Several outdoor areas adjacent to the college are for student and faculty use. They are accessible from the first floor and/or basement levels.

ART GALLERY AND SCREENING ROOM (RM. 001)
McLaughlin is now home to an Art Gallery/Screening Room. Students have the opportunity to display their art through college’s art shows. Film and video presentations can be booked through the Master’s Office; simply contact the Master’s Office for instructions on how.

DYNAMACS WEIGHT ROOM (RM. 018)
McLaughlin is home to a gym that is open from 7 a.m. - 11 p.m., 7 days a week. In addition to weight equipment, there is also cardiovascular equipment and boxing equipment. Membership forms to Dynamacs can be obtained in the Master’s Office. The gym is small and membership is on a first come, first serve basis. Keep in mind that while working out, a partner must be present at all times.

CLUB OFFICES (RMS. 002, 003, 017, 046, 107, 168FC)
Some McLaughlin affiliated clubs have offices in our college building. For details please refer to the clubs page.

MAC LOUNGE (RM. 016)
The MAC lounge is a great place to relax and unwind on campus. It currently has a meeting table, couches, PlayStation 3, and a 55 inch television to make students feel more at home.

OSCAR’S ROOM (RM. 051)
Oscar’s is a great lounge for students to study, meet, and relax before and after classes.

AWARDS/SCHOLARSHIPS/ BURSARIES

All awards, unless otherwise stated, can be applied for through the Student Financial Services website. Each student must fill out a Student Financial Profile online (www.sfs.yorku.ca). For more information, either visit the website: www.yorku.ca/mclaughlin; or contact the Office of the Master: (416) 736-5218.

PRIZES PRESENTED BY MASTER’S OFFICE:

The following awards will be given out at the year end formal:

Tatham Trophy
The Tatham Trophy will be awarded to a student who has demonstrated academic achievement and outstanding contribution to life at McLaughlin College.

Masters Award
The Masters Award will be awarded to a student who has demonstrated outstanding contribution to college life.

The Ellen Baar Award
The Ellen Baar Award is awarded in memory of Professor Ellen Baar. It will be awarded to a student who has shown commitment to the Public Policy mandate of McLaughlin College.
McLaughlin College Public Policy Scholarship
The McLaughlin College Public Policy Scholarship will be awarded annually to two McLaughlin College students majoring or minoring in a Public Policy program or area of study, and nominated by their program. One recipient must have completed second year (minimum of 48 credits completed) and be registered in his or her third year of study; and the other recipient must have completed third year (minimum of 72 credits completed) and be registered in his or her fourth year of study. The recipients must have a minimum cumulative grade point average of 8.0 (A).

Helen and Elgin Turner Bursary
(Donor: the Estate of Elgin Turner)
This bursary is awarded to students who demonstrate financial need. Eligibility for this award is restricted to Canadian citizens/permanent and/or Ontario residents. A written statement along with an application form indicating financial resources and expenses must be completed and returned to the Master’s Office of McLaughlin College. Funds up to $500 are available for qualifying students. The money will be sent to his/her student account to pay down any debt owing the University. For more information, please contact Lilian Polsinelli in the Office of the Master, (416) 736-5128.

Peter and Basya Hunter Award (Donor: David Hunter)
This award was endowed in memory of Peter and Basya Hunter, who dedicated their lives to social justice. It will be awarded to one full-time student per year, who has completed 48 credits in any area of study and has or will be taking courses focused on either women’s literary studies, peace studies or both. Applicants must have a minimum of 6.0 (B) cumulative grade point average, be a Canadian citizen or permanent resident, an Ontario resident and demonstrate financial need. Preference will be given to McLaughlin College Students.

Adam Clark Student Legendary Achievement Award
This donation given by Adam Clark, a McLaughlin Alumnus, to benefit an undergraduate student affiliated with McLaughlin College who has demonstrated a student leadership role within the College. The $1000 award will be adjudicated by the McLaughlin College Awards Committee.
Tammy Emerton Memorial Award
Tammy Emerton was an extraordinary individual. Her life ended tragically when she was killed in an auto collision with a drunk driver. She is remembered by her friends at Tatham Hall as both a scholar and an athlete. She gave much of herself and asked for little in return. Even in the most difficult moments, Tammy's perpetual smile, warmth and compassion enriched the lives of many in McLaughlin College. Applicants for this award must be students who are active in McLaughlin College - grades are of secondary importance. For further information, contact the Office of the Master, McLaughlin College.

Paul Cantor Award
Donor: Paul Cantor
Paul Cantor has served as a member and chair of the York University Board of Governors (1998 - 2012) and has extensive experience in the Toronto business community. This award will be granted annually to a student who has completed 48 credits, has a minimum cumulative grade point average of 6.0 (B), and focus their studies in the area of Public Policy and Administration. Recipients must be Canadian citizens or permanent residents, Ontario residents and demonstrate financial need. Preference will be given to a student who is a member of McLaughlin College.

The George Doxey Bursary Fund
A bursary will be awarded to a deserving student in McLaughlin residence (Tatham Hall) on demonstration of financial need.

George Tatham Memorial Scholarship
In memory of George Tatham, the first master of McLaughlin College and the first Dean of Students of York University, annual bursaries are available to students of McLaughlin College who demonstrate financial need.

The Ubale Bursary Fund
In memory of Dr. Bhausaheb Ubale, McLaughlin College has established a fund to provide assistance to York University students from disadvantaged backgrounds.

The Peter Oliver Bursary
Peter Oliver was a professor in Canadian History, specializing in the social and legal history of Ontario in the 19th and 20th century. Peter was the recipient of many distinguished honours, including the Order of Ontario and the Guthrie Medal. Sadly, he passed away in 2007 and McLaughlin College set up a bursary in his honour.
PRIZES PRESENTED BY McLAUGHLIN COLLEGE COUNCIL:

The following awards will be given out at the year end formal:

Tammy Emerton Award
The Tammy Emerton Award will be awarded to a first or second year student based on the writing of a short essay on alcohol awareness on campus.

The Zoran Samac Award will be awarded to a student for outstanding contribution to McLaughlin College life.

Ijade Maxwell First Year Contribution Award
The Ijade Maxwell First Year Contribution Award will be awarded to one male and one female first year student.

Lara Ubaldi Award
The Lara Ubaldi Award will be awarded to a graduating student for their participation and commitment to McLaughlin College during their undergraduate years.

McLaughlin College Spirit Award
The McLaughlin College Spirit Award will be awarded to two females and two males.

McLaughlin College Commuter Contribution Award
The McLaughlin College Commuter contribution Award will be awarded to one female and one male commuting student.

Ross McMillan Award
The Ross McMillan Award will be awarded to a McLaughlin College student for their outstanding contributions to the York University community.

Howard Beach President’s Choice Award
The MCC President will give this award to a student who has demonstrated dedication to McLaughlin College Council.

And many more.

McLAUGHLIN FELLOWS

Fellows are academic and non-academics that best reflect the McLaughlin College identity. They serve the college community by representing interests and expertise in fields congruent with our ‘public policy’ mandate, and are here to help you. Visit the McLaughlin College website for updated information on the Fellows: http://www.yorku.ca/mclaughlin/fellows.html
